Subject: [External]Remote v. In-Person Proceedings

CAUTION: This email originated from outside the Judiciary organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I believe that other than trials, and perhaps settlement conferences in certain matters, the Court should continue to employ remote proceedings. I have found that the savings to my clients in both time and out of pocket expenses has been significant. Remote case management conferences, oral arguments, hearings and other court activities have all been very smooth and effective by Zoom. I hope that it continues.

Matt
