Subject: [External]Support of Remote Court Proceedings

CAUTION: This email originated from outside the Judiciary organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hello –

I am a member of the NJ Bar since 1995 and a Certified Civil Trial Attorney. I write to express my support for the permanent continuation of remote/virtual motion hearings and arbitration hearings. The process over the past year has proven that these proceedings can be conducted virtually with no prejudice to the parties. The virtual process is obviously more efficient and productive for all involved.

Thank you.
