Dear Judge Grant:

Kindly accept this letter on behalf of the Hunterdon County Bar Association. We are writing in response to your request for comments regarding remote court operations.

We support the content of the New Jersey State Bar Association's Practice of Law Report. The Report accurately identifies various proceedings in all areas of practice that functioned well utilizing remote platforms and recommends a continued use in those proceedings. The Report also identifies concerns in areas of practice that would benefit from further improvement.

We ask that remote proceedings be implemented as recommended in the Report. Thank you for your consideration.

Respectfully submitted on behalf of the Hunterdon County Bar Association

Peter A. Marra, Esq.
