Good Morning:

Hopefully this email finds you well.

Please accept this correspondence as a formal Comment to the proposal that Civil Motions and Court Conferences will proceed remotely. As an active litigator, I believe that this is an unwise decision that will serve as a detriment to all litigators and younger attorneys. It would be my suggestion that unless all parties consent to a proceeding take place remotely, that when feasible, formal Court proceedings resume in person.

Best regards and stay safe,
Rob
