Director Grant,

I am most pleased to see that the informal practice of the Presiding Judges of the Appellate Division of the Superior Court and The Tax Court dating back to the creation of the Tax Court in 1979 is to be formalized by the proposed amendments to the two above captioned Rules.

For precision and consistency may I suggest that the reference to New Jersey Tax Court Reports found in proposed amended Rule 1:36-3 be carried over to proposed Rule 8:9-6 by adding the word Court between Tax and Reports in part (a) and in two places in part (b) of that rule.

Respectfully,

Joseph C. Small, P.J.T.C. (retired)
