Subject: [External] Amendments to Landlord-Tenant Complaint

I have two comments about the new Complaint form.

First, this is what the Complaint reads at paragraph 26:

26. Plaintiff seeks eviction for the following reason:
_____ (select from the List of
Holdover Causes of Action on the back of the Landlord Case Information Statement).

I would add something to the effect of what to put on the line. For example: "select *all numbers* from the List..." The person filling the form out, especially a pro se, will try to write the selection on the line. The number will (should) do. And you can add more numbers if there are more than one reason for the eviction.

Second, I would bold the second section of the Complaint for the other reasons for the eviction:

REASONS OTHER THAN NON-PAYMENT OF RENT(HOLDOVER) It then matches the title for non-payment.
