(Describe specific objections in numbered paragraphs. Please attach additional pages if necessary)

Due to unemployment of the borrower our financial situation rapidly decreased and brought our loan in default

During this period we did seek help and cooperate with Chase Customer Assistance Specialist to reduce monthly payments and participate in programs to help homeowners to keep the property

At the end of March 2013 our situation changed-our income has been increased due to employment of borrower It is in our best interest to cure the default and bring our loan current, but due to our financial situation we are not able to pay total amount of past due at once

What we are asking for is more time to bring our financial situation back to normal standard and seek for available financial assistance

We already sent all the documentation to the current lender of our loan and willing to take available action to participate in program to avoid foreclosure

I hereby certify that the foregoing statements made by me are true I am aware that if any of the foregoing statements are willfully false, I am subject to punishment
