Re: Doc #F-025354-12, Order to show cause

Dear Sir or Madam:

This letter is in response to the order to show cause letter dated 1/10/2013. This letter is to inform you that we have recently applied for a loan modification with GMAC. GMAC notified me that my lender has transferred our loan to Green Tree and that we must reapply for the loan modification thru them. The loan is to be transferred by 01/31/2013. We will apply again thru Green Tree by 02/01/2013. 20 Ferndale Drive, Parsippany, NJ 07054 is my primary residence and I want to keep my home. It is our right to apply for a loan modification and we are requesting that the intent foreclose be put on hold until the modification application has been processed.

The company that I, Glenn Smith worked for 32 years went out of business in 2009. I was unemployed for six months and found a job making less money in September 2009. I am currently employed and in good standing at my current job

Sincerely,

 
Glenn C. Smith and Antonia Smith
