to the Plaintiff's filing of the (select one)

- Order to Show Cause
 - Corrected Notice of Intention to Foreclose
- for the following specific reasons:
(Describe specific objections in numbered paragraphs Please attach additional pages if necessary.)

I would like to cure the loan on the Notice of Intention to Foreclose, but the value of the property has been seriously compromised since GMAC locked the house in 2007 Since that time a tree fell on the roof and the back door has deteriorated, allowing the house to stand open to flooding, wind damage, and the abundant wildlife. At this time the house needs to be demolished and rebuilt before it can be lived in or sold.

At the time the locks were changed the house was listed with a realtor and there had been serious offers on it that could no longer be pursued.

In the intervening years the zoning in the area has changed from 3 to 10 acres, making the lot undersized.

I do have a former neighbor who lives next to the property and would like to buy it. She would be willing to pay \$35,000 for it, recognizing that she would have to demolish and rebuild the house My credit record has finally been cleared and I do not want to have a new foreclosure on my record, so I am hoping to be able to work this out without foreclosure proceedings.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements are willfully false, I am subject to punishment.
