Attention: Objection to Notice of Intention to Foreclose
P.O. Box 971
Trenton, New Jersey 08625

Docket: F-009564-12
Loan # 708/0061284485

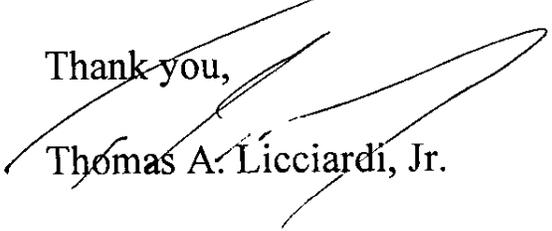

I am in receipt of a Notice of Intention to Foreclose dated 8/15/2012 .
I object for the below reason:

Although I would like to cure the default, I have no way of verifying that the amount identified as due is accurate.

My loan is an adjustable mortgage and I have **not received any notifications of the changes in the interest rate for several years, or even any indication of what interest rate they have used to calculate the past or current payments.**

In addition, I have made payments as part of a Trial Forbearance Period for which it does not appear I was given credit.

Thank you,

Thomas A. Licciardi, Jr.
