Dear Gentlemen:

I am Miss Clara F. Barrigher of 21 West Park Ave ^{where} ~~when~~ I have resided for the past 33yrs. My home is mortgaged currently by the America Servicing Company. I am 73 yrs of age and would like to keep my home by either refinancing it's loan or reversing my mortgage

I had two very bad falls recently and was in Mainland Manor Rehabilitation Center preceeded by a hospital stay when on 7/19/12 Docket 009564-12 arrived to me. This correspondence was preceeded by a private 1 on 1 Conculatioin offer and still another for AUG 30TH, 2012 WHEN BOTH TIMES UNABLE TO WALK and other South Jersery was declared a disaster area reasons I was trying restore the home from damages-from the storm. The economical problems of the era have given me financial problems and I a now on social security I will be able to spell out my hardships at a later date, but am just out of the hospital.

Sincerely
Clara F. Barrigher
