RE: In re Application by Wells Fargo, N.A. to issue corrected Notice of Intent to foreclose on behalf of identified foreclosure plaintiffs in uncontested cases.

Docket #: F-9564-12

Defendant Carlos R. Correa

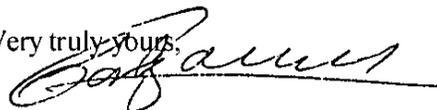

Dear Sir or Madam:

Please accept this letter of objection in lieu of a more formal objection to Wells Fargo's above captioned Order to Show Cause. I formally object to the course of action requested by Wells Fargo because there is definite uncertainty as to who the real party in interest is to this foreclosure.

According to the Complaint filed against me by U.S. Bank, National Association, as Trustee for CSMC ARMT 2006-3, I secured a loan with First Bank of Arizona on July 17, 2006. The mortgage was given to Mortgage Electronic Registration Systems, Inc. as nominee for First Bank of Arizona on the same date. I have seen no record of when the mortgage was then assigned to the Plaintiff. Furthermore, no information has been provided as to the creation of the CSMC ARMT 2006-3, trust, the nomination of U.S. Bank, National Association as Trustee and as to how Wells Fargo acquired the rights to my loan.

Because of this uncertainty, I hereby object to Wells Fargo's request to amend the Notice of Intent to Foreclose. Wells Fargo must be forced to re-file the lawsuit and the proper proof of its right to file said lawsuit.

Very truly yours,

Carlos R. Correa
