RE: In re Application by Wells Fargo, N.A. to issue corrected Notice of Intent to foreclose on behalf of identified foreclosure plaintiffs in uncontested cases.

Docket #: F-9564-12

Defendant Frank Olalla

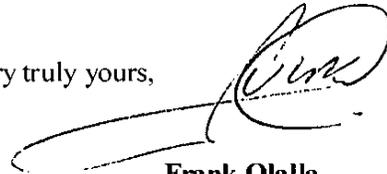

Dear Sir or Madam:

Please accept this letter of objection in lieu of a more formal objection to Wells Fargo's above captioned Order to Show Cause. I formally object to the course of action requested by Wells Fargo because there is definite uncertainty as to who the real party in interest is to this foreclosure.

According to the Complaint filed against me by HSBC Bank USA, National Association, as Trustee for WFALT 2007-PA02, I secured a loan with East Coast Mortgage Corp. on February 23, 2007. The mortgage was given to Mortgage Electronic Registration Systems, Inc. as nominee for East Coast Mortgage Corp. on the same date. The mortgage was then assigned to the Plaintiff on May 14, 2008; however, that assignment was never recorded and has not been produced. No information has been provided as to the creation of the WFALT 2007-PA02 trust, the nomination of HSBC Bank USA as Trustee and as to how Wells Fargo acquired the rights to my loan.

Because of this uncertainty, I hereby object to Wells Fargo's request to amend the Notice of Intent to Foreclose. Wells Fargo must be forced to re-file the lawsuit and the proper proof of its right to file said lawsuit.

Very truly yours,

Frank Olalla
