Docket No. F-009564-12

Certification in Opposition to Order to Show Cause

Dear Clerk of the Court:

I am writing to your office to respond to the pending Order to Show Cause before the Hon. Margaret Mary McVeigh. I am not in foreclosure and I am not sure why this application was sent to me. While I have been served with a Notice of Intent to Foreclose, the case cannot be considered contested or uncontested.

Please note that I request any correspondence to be sent to my business address regarding this case due to my upcoming work and travel schedule.

CIVIL ACTION

CERTIFICATION IN SUPPORT OF OBJECTION  
TO PLAINTIFF'S ORDER TO SHOW CAUSE

I am Corazon Rivera and I hereby certify that the following statements made by me are true to the best of my information, knowledge and belief; and, I understand that if I make any statement that is willfully false, I may be subject to penalty of law:

1. I received an Order to Show Cause from the law firm of Reed Smith LLP. It requires a response by September 24, 2012.

2. I am not a Defendant in any foreclosure case pending in New Jersey, although I recently received a Notice of Intent to Foreclose.

3. Therefore, the case cannot be considered contested or uncontested because I have not been served with any foreclosure papers and as of the date of this Certification there is no such filing in the Office of the Clerk for the Superior Court in Trenton, New Jersey.

4. In any event, I oppose the application because the Plaintiff has not provided me with a response to my Qualified Written Request which includes an accounting of the loan and the name of all entities attached to the loan because the Plaintiff is not the original lender.
