CIVIL ACTION

CERTIFICATION IN SUPPORT OF OBJECTION
TO PLAINTIFF'S ORDER TO SHOW CAUSE

I, Angel Duran, hereby certify that the following statements made by me are true to the best of my information, knowledge and belief; and, I understand that if I make any statement that is willfully false, I may be subject to penalty of law:

1. I received an Order to Show Cause from the law firm of Reed Smith LLP. It states that if I oppose the Plaintiff's application I should file a response.

2. I was a Defendant in a foreclosure case New Jersey, although I believe it was dismissed without prejudice or put in forbearance because I have heard nothing from the bank's attorney for a long time.

3. In any event, I oppose the application because the Plaintiff has not provided me with a response to my Qualified Written Request which includes an accounting of the loan and the name of all entities attached to the loan because the Plaintiff is not the original lender.

4. The loan is being serviced by American Service Company but they are not the owner of the note and mortgage and the loan was securitized and there is a serious question as to the true owner and whether or not the transaction was fraudulent.

Foreclose on Behalf of Identified Foreclosure Plaintiffs in Uncontested Cases

Docket No. F-009564-12

Certification in Opposition to Order to Show Cause

Dear Clerk of the Court:

I am writing to your office to respond to the pending Order to Show Cause before the Hon. Margaret Mary McVeigh. I received papers from the office of Reed Smith, LLP. They are the attorney for the Plaintiff. I have been trying to get a loan modification from the bank. I am updating information to the bank for a loan modification.

I oppose the application for reasons stated in the attached certification.

Very truly,

Angel Duran
