Re: In re Application by Wells Fargo Bank, N.A. to Issue Corrected Notices  
Of Intent to Foreclose on Behalf of Identified Foreclose Plaintiffs in  
Uncontested Cases

Docket Number F-009564-12

To whom it may concern:

I have an objection to the above foreclosure proceedings because the bank claimed to be working with me and after many years they denied because the past due amount is too large for them to negotiate. I have been proactive since the day I lost my job three years ago. They stopped taking my payments when I was past due for too long and right now they basically just want to take my home away. They have been doing me wrong from the beginning knowing I had a part time job and could not pay for the mortgage and when I lost that job they have been making mistakes after mistakes giving me no opportunity whatsoever to keep my home. The reference to the above correction, it's too little too late.

Thank you,
