Docket # F-009564-12

Dear Judge McVeigh,

I am requesting a postponement of the above mentioned docket # F-009564-12, scheduled for November 1st, 2012 at 10 am , for up to 60 days to mediate my home loan with my mortgage company . I am in the process of trying to obtain a loan modification with Wells Fargo Mortgage and I am looking to retain an attorney who specializes in foreclosure matters. Please allow me this time to be properly represented in this matter. I am confident that this situation can be resolved without my house being foreclosed on and my family will not lose our family home.

In closing I appreciate your time and attention and consideration in this matter.

Sincerely,

Gregory Tillman
