Your honor, currently you, the judge assigned to the docket numbers listed above is involved in pending litigation (Court Proceedings) against me. My Attorney is Eric B. Morrell 732-249-9933 & 908-272-8166. Under these circumstances, how can a judge fairly adjudicate a court matter when one of the litigants has pending litigation against them by the presiding judge? Therefore I request to have my case moved to Middlesex County. If that is not possible then I request to have another judge assigned to this docket that has not previously adjudicated on this case. Please allow this correspondent to serve as notice of my request and future intentions to legally and lawfully fight these foreclosure proceedings through vigorous litigation. Thank you for your time and consideration.
