Order to Show Cause  Corrected Notice of Intention to Foreclose for the following specific reasons:  
(Describe specific objections in numbered paragraphs. Please attach additional pages if necessary.)

1) I am a United States Veteran taught to fulfill my responsibilities, to take care of my own. I was also taught to work as a team. I was given a sense of commitment. My Primary aim is to save my home and pay my debt. As the soul provider of my family of three, I had informed the Bank prior to becoming in the rears, that I had lost my job and would have to buy health coverage. I quickly found another job and requested a modification on my loan, in order to make the payments affordable. I have submitted a number of modification applications. I have been passed around to different loan reps., who have stated that there are programs for people like me. I am currently working with Lisa Pastor at JPMorgan Chase. She had mentioned to me that she has informed the court that I have recently submitted another modification application.

2) I have received a forgiveness letter from my second mortgage loan with Wells Fargo, therefore lifting a heavy burden from my financial requirements. I am confident that I will be able to satisfy my mortgage payments with a restructured loan that would lower my interest rate to the current markets.

I hereby certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements are willfully false, I am subject to punishment.
