Re: F-023925-12
Nationstar Mortgage, LLC v Rodearmel
Docket# F-19416-09

RESPONSE BY DEFENDANT
OF McCABE; WEISBERG &
CONWAY, P.C. SHOW CAUSE
HEARING.

Now comes this Defendant acting persona propria and N-O-T "pro se" to
MOVE this Court to Grant this RESPONSE

Under the N.J. Supreme Court U.S. Bank N.A. v Guillaume Paul Innes gave w/o
challenge or agreement by this party and authorization by Nationstar Mortgage LLC in
209 N.J. 449 (2012) unless you can site page + line II under Guillaume this permission
authority by Nationstar..

VERIFIED COMPLAINT.....

That five (5) times Nationstar MERS or whatever + whomever have been successful in
providing a legal lawful signature by this Defendant to grant the proper signed in my own
personal handwriting/signature.

Corrected Notices of
Intention to Foreclose

Again this Defendant in the past five (5) Court appearances has challenged the
missing, non-existent signature by the Defendant, and five times the Nationstar by "hook
or crook" have failed to deliver the Defendant's signature by my own flesh / blood.

I can't say that those law firms that were paid by Nationstar were ineffective "scoundrels" but the facts still gravitate to these counselors to provide the "missing link of my signal of authority.

The sixty three (63) counts do not pertain to my personal signature on the bottom line.

Five times (5) Nationstar's counselors in 7 lines of chatter under "Information about the corrected Notice...." (page after the 63 counts)

Unfortunately the N Y Giants nor N Y Jets fans can put a sign for de FAULT like they do for de IIII or de fense.

But the fact remains that my defense, is NOT a DEFAULT unless Nationstar can bring in a written signed signature, they can N-O-T charge me for de FAULT

Under the Supreme Court

410 US 1 (1973) 71-229

UNITED STATES v Dionisio

The Vth Amendment guarantees that no civilian may be brought to trial for an infamous crime "unless on a presentment or indictment by or Grand Jury, This Constitutional guarantee presupposes an investigative body IV of Bill of Rights N-O-T Wrongs....

Default is derived of failure...

Meadows v Continental Assurance

89 F. 2d 256

specifically, the omission or failure to perform a legal duty.

Easterwood v Willingham

Tex Civ App. 47 SW 2d

393-395

THEREFORE the Courts, have agreed w/this Defendant five (5) times the Nationstar's counselors have been GUILTY of Misfeasance, malfeasance and dereliction of duty, in their attempts to use a non-existent missing signature by this Defendant in order to create a default, or Defense

In a great case one of our greatest legal Tackoritions namely Daniel Websyer is Trustees of Dartmouth College vs Woodward, stated ,, that the courts should hear the case before making judgment.

Sincerely yours

Respectfully yours
