SUPERIOR COURT  
CLERK'S OFFICE  
Tulay Baykara  
17 David Drive  
Augusta, NJ 07822

Dear County Clerk,

This letter is being written in regard to the foreclosure action under docket number F-030222 - 13.

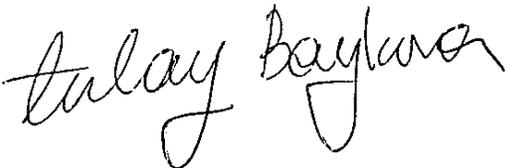

I ask that this action be suspended while I work with Dignified Transition Solutions to sell my house through a short sale process. This short sale will be of mutual benefit to both the lender, Bank of America, and to me.

In addition, the paperwork that I have received from Bank of American did not include any supporting documents that sustain a claim for the perfection of the chain of title. Bank of America also did not provide any documents that would support that the promissory note has a clear chain of title. Although I am not a lawyer, and have not consulted with a lawyer yet, it is my understanding that this proof must be provided by the lender in the state of New Jersey in order for the foreclosure process to move forward.

I believe that it would be in the interest to the lender, Bank of American, to allow my house on 17 David Drive, Augusta, NJ 07822 to be sold through a short sale process that involves Lazicki Realtors in Sussex, New Jersey , and Dignified Transition Solutions.

Respectfully,

Tulay Baykara
