Re: State v. Tyrell S. Lansing
Dkt. No. 090121

Honorable Chief Justice and Associate Justices:

This Office has received defendant's Motion for Leave to Appeal in this matter.

We oppose. The remaining arguments present nothing more than the application of settled law. Therefore, no special reasons for certification exist. R. 2:12-4.

The State shall rely upon its Appellate Division brief, and the decision of the Appellate Division, in opposition to the instant Motion for Leave to Appeal.

SR

In the event the Petition is granted, the State requests the opportunity to file a supplemental brief. R. 2:12-11.

Thank you for the Court's attention to this matter.

Respectfully submitted,

ROBERT J. CARROLL, ESQ.
