Re: State v. Dana Kearney
Docket No. 089877

Honorable Justices:

With regard to the above-referenced matter, the State has received defendant's petition for certification and opposes it. At this stage, the State will rely on its November 2, 2023 brief and the Appellate Division's September 18, 2024 opinion affirming the denial of defendant's post-conviction relief petition. In the event that this Court grants certification, the State reserves the right to file a supplemental brief.

Respectfully,
/s/Erin M. Campbell
