The Cumberland/Gloucester/Salem Ombudsman staff and the South Jersey Legal Services (SJLS) Reentry Law Coordinator will present an informational webinar to assist self-represented litigants who are filing for an expungement application. An overview of the Judiciary's eCourts expungement system will be discussed.

SJLS will provide information on the current laws and procedures when filing for an expungement, will review the application form, and discuss what happens after an expungement has been granted. Ombudsman Office staff will be available to answer questions regarding the applications and court processes.

*Participants can submit questions during the webinar via the "Q&A" option.
This is an informational webinar only. Individual cases will not be discussed or resolved.*
