The Cumberland/Gloucester/Salem Vicinage Office of the Ombudsman and representatives from South Jersey Legal Services, Inc. (SJLS) will present a virtual webinar on pro bono services through the SJLS Private Attorney Involvement Program, which places cases with volunteer, private attorneys throughout its nine-county service area.

Projects in which attorneys volunteer include:

- The Bankruptcy Project
- The Children's Supplemental Security Income Project
- The Divorce Project
- The Expungement Project
- The Family Assist Project
- The SJLS Guardianship Project for Children

Attorneys from SJLS will provide information on each of these projects and how you can qualify for a free lawyer to help you. Ombudsman office staff will be available to answer questions about court processes and services. This webinar is sponsored by the Cumberland/Gloucester/Salem Vicinage's Office of the Ombudsman.
