In observance of Law Day 2026, join us for a real-time virtual panel discussion on the Rule of Law as the foundation of the U.S. legal system. Through a moderated discussion, the panelists will explore the role that courts have played, historically and at present, in supporting the fundamental principles of justice, fairness, and equity.

This free real-time virtual program is presented by the Judiciary Office of Communications and Community Relations. Registration is required using [this link](#) or by scanning the QR code. Zoom links will be issued to registered attendees by CCR.Webinar1@njcourts.gov.
